HOCKEY WARNING AND NOTICE

Hockey Hazards: Hockey is a hazardous activity. Participants (players) assume all risk of dangers incident to or associated with the game of hockey, including but not limited to: colliding with or being hit either on or off the ice, by other players' bodies, sticks, pucks, helmets, skates or protective equipment; colliding or falling on or into the ice, goals, rink doors, or employees, rink boards, rink supports or holes, cracks or rough surfaces in or on the ice surface, rink boards, rink doors or areas of ingress and egress into the rink.

Insurance: All participants are required to register for insurance coverage through USA Hockey. Included with USA Hockey registration is a \$1,000,000 liability coverage and catastrophic accident insurance for costs over \$25,000. A \$1,000 deductible will apply if there is no other valid and collectible personal insurance in force at the time of the accident. **It is the players responsibility to register for USA Hockey insurance.**

Helmets: All hockey players must wear protective head gear (helmets), approved by H.E. C.C. (Hockey Equipment Certification Council), while participating in hockey. Helmets must be worn at all times while on the ice, players bench or penalty box, before, during and after the game.

Face Masks Required: ALL HOCKEY PLAYERS ARE REQUIRED TO WEAR FACE MASKS. WE STRONGLY RECOMMEND FULL FACE MASKS FOR THE BEGINNER NOVICE THROUGH INTERMEDIATE DIVISION. A MINIMUM OF A HALF SHIELD IS REQUIRED FOR ALL DIVISIONS. FACE MASKS MUST BE WORN AT ALL TIMES DURING OR AFTER THE GAME WHILE ON THE ICE, PLAYERS BENCH, OR IN THE PENALTY BOX. **Any player not wearing a half shield properly attached in the down position will not be able to participate in game play.**

Other Players: The Arena¹ assumes no responsibility for the conduct of participants in this hockey program. Players assume the risk of negligent, careless or reckless acts of others participants (players) while participating in the game of hockey (including the period immediately before and after the hockey game).

Skating Surface (Ice): Due to time and budgetary constraints and the great number of varied ice-related activities, the Arena cannot guarantee that the ice surface is free from standing water, holes, cracks, rough spots, or soft spots either on the surface or along the boards. Players assume the risk of the foregoing conditions.

Referees: Referees for the Arena "House" leagues are required to be certified.

Player Equipment: Each participant is personally responsible to wear protective equipment for all games. See USA Hockey Rule 304 for required equipment.

Duty of Inspection: Each player has the responsibility to inspect the ice, goals, boards and bench areas (to include doors) before each game or other use of ice rink, in order to familiarize him/herself with existing conditions. Any defects should be immediately brought to the attention of appropriate Arena personnel.

Prohibitions: In addition to the normal rules of ice hockey, participants, while using Arena facilities, are prohibited from fighting, "rough housing", or other conduct endangering persons or property. Participants are prohibited from playing hockey while under the influence of drugs or alcohol.

I have read, understand and agree to the terms of the foregoing HOCKEY WARNING AND NOTICE and have been given a copy of said HOCKEY WARNING AND NOTICE.
